DESCRIPTION OF AWARDS:

5-Year Service Award:

This award is given to an operation that has successfully flown with Night Vision Goggles for a period of five years.

10-Year Service Award:

This award is given to an operation that has successfully flown with Night Vision Goggles for a period of ten years.

15-Year Service Award:

This award is given to an operation that has successfully flown with Night Vision Goggles for a period of fifteen years.

20-Year Service Award:

This award is given to an operation that has successfully flown with Night Vision Goggles for a period of twenty years.

25-Year Service Award:

This award is given to an operation that has successfully flown with Night Vision Goggles for a period of twenty five years.

Community Awareness Award:

This award is given to an operation that has demonstrated proven leadership and pioneering Night Vision Goggle flights in his or her community. This award is given to people who raise awareness about the need for Night Vision Goggles, help other organizations obtain Night Vision Goggles or work to bring goggles to their own fleet to enhance safety in their community.

Mark of Excellence Award:

This award recognizes an operation that signifies dedication to quality and excellence in their operation and the furtherance of safety with the use of night vision goggles.

International Advancement Award:

This award is given to an operation that champions the need for Night Vision Goggles and systems outside of North America.

All operations receiving the awards should be actively using Night Vision Goggles and Night Vision Systems for a period of at least one year in order to be considered for the awards.
